
when they travel a long distance to the city to receive medical treatment. No place currently exists. The building will also be used for a children's ministry for the neighborhood kids.

Besides building, there will be opportunities to converse and worship with Paraguayan and indigenous Anglicans. We are looking for: Christians 18 years and older who have skills working with children or young people, cooking, music, sports, church teaching, medical, masonry and building, electrical, etc.

Anglican ministry in Paraguay began over one hundred years ago by one of the greatest missionaries who ever lived, Barbrooke Grubb. We will be working in the same region where Grubb labored so heroically. Touring spots after the work is done will include either Yguazu Falls, the biggest water falls on earth, or Rio de Janeiro, Brazil.

Short-Term Mission Teams.

Would you like to serve the Lord in an unforgettable and possibly life-transforming way? Are you able to work in a team, and adapt to some big cultural differences? Perhaps God is calling you to join a team this summer.

The Reformed Episcopal Church Board of Foreign Missions is sponsoring Short-Term Mission Trips to Germany, Nigeria, and Paraguay.

We need more team members and people to give financial support to those who go. Please read the following information and ask the Lord if you can help out.

Germany

THE dates for this trip are August 3-24. Bishop Gerhard Meyer and family live on a beautiful spot called the Knull Camp. Every summer, as a ministry, he invites German young people to what is called "English Camp." This is a great opportunity for you to attend. Bishop Meyer is hoping for young people from 17-30 years old.

You will have much contact with German youth, worshipping, working, sharing meals and leisure time,

sports, swimming, music and drama. There are many opportunities to use whatever gifts God has given you to encourage and disciple German young people. The last three or four days Bishop Meyer will take team members to exciting tourist places in Germany and possibly France. Please contact Bishop Meyer at: gmeyer@gmx.de

Estimated cost: **\$1,600.00**. (Note: If you return earlier due to college beginning the cost will be reduced.)

Nigeria

This trip departs July 2, and stays two and half weeks till around July 19. The Rev. Paul Ekezie will lead this team from the United States. You will go to serve the Igbo people in the Eastern Nigeria under Bishop Alfred Nwaizu. He oversees 30 big churches and 60 baby churches in his rural diocese of Okigwe-North. There is much to do. The team will be able to participate in an Ordination Retreat from July 11-14. Many of the Anglican believers will gather to celebrate the ordination of deacons and presbyters. Besides that, work can be done in the mission hospital if someone has medical skills. The

cathedral church needs some repairs: painting, fixing windows, flooring and tiling, and constructing pews. Everybody can join one of the evangelism teams and see how they do that. Music is a major part of the worship. Come ready to sing and/or bring your musical instrument. Please contact the Ven. Dr. Paul Ekezie to enquire or sign up: The age range for this is 15 years old and higher. The places for touring are still being worked on.

The Rev. Paul Ekezie: ugopaulll@cs.com Telephone (646) 226-5698. Estimated cost: **\$2,000.00**

Paraguay

This trip goes from August 3-28. For several summers now, Bishop John Ellison, of the diocese of Paraguay has been receiving teams from the Anglican churches in England and Ireland. We will be working alongside Irish, English, Paraguayan, and indigenous peoples on two different projects to help the indigenous people. One project is to build a church in a remote location of the Paraguayan Chaco called Para Today. The other project is in the city of Concepcion. Auxiliary Bishop Andres Rodriguez wants a facility to allow the indigenous people to stay
